

The MHPSS National Implementation Plan (2025-2030) for Pakistan was presented by the Federal Minister for Planning, Development & Special Initiatives Prof. Ahsan Iqbal Chaudhary, to the Health Departments of all provinces and federal areas on 13th August 2025 in Islamabad.

The 5-year MHPSS implementation plan presents an opportunity for all stakeholders to collaborate and mobilize resources towards the successful implementation of the model to develop and sustain MHPSS services across the country.

The second National MHPSS Coordination Meeting was also held after the event.

All health departments presented their MHPSS projects and endorsed the MHPSS Implementation Plan, which is being initiated in ICT and the provinces of KP and Baluchistan in 2025-2026.
